

Religious Studies, B.A.

The following Two-Year Roadmaps for TRANSFER students are meant to be a guide for students and academic advisors in planning a path to a degree within two years (four semesters) if the student is able and willing to do so. The set of courses shown below are based exclusively on the Fall 2022 Catalog and the most up to date General Education (G.E.) Program in that catalog year. The requirements outlined may not apply to students in earlier catalog years, especially in the G.E. courses required in specific categories. Please note that courses identified in the Two -Year Roadmaps may not always be available during each of the prescribed semesters, therefore, **it is always recommended to consult an academic advisor**. Advisors may need to adjust the courses in the Two-Year Roadmap to keep students on track to graduate in two years.
